Read This Before Ordering

We exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock, when received, return it and your money will be refunded.

TERMS

Net cash before shipment; 25 per cent deposit will hold orders until shipment. Orders not fully paid will be sent C. O. D. for the balance, at the time for shipment to your locality. Money orders and checks drawn in foreign currency will be credited at the amount for which they are paid.

THRIP

The bulbs are guaranteed free from thrip. We treat our bulbs in storage and will ship packed with naphthalene flakes if requested. We advise everyone to treat the bulbs he plants with Lysol. Directions will be packed with your order if you are not familiar with these treatments.

DISCOUNTS

For price of 10 bulbs, divide 100 price by 9. Less than 10 bulbs sold at the same rate, but no item less than 10 cents. Thus, 3 bulbs at \$3.00 or \$3.20 per 100 are 10 cents. 3 bulbs at \$3.60 per 100 are 12 cents and 3 bulbs at \$4.00 per 100 are 13 cents. 25 or more bulbs, one size and variety, are sold at 100 rate.

Any quantity of bulblets at 100 or 1000 rate, but no item less than 10 cents.

If you use bulblets by peck or bushel or large quantities of planting stock, write for special quotation giving variety, size and quantity.

ORDER CHANGES

It sometimes happens that we are out of the size you order, but have other sizes in the same variety. Please state if you wish us to send another size or variety if out of what you order. You will always receive liberal value for any change.

SHIPMENT

Domestic orders for \$2.00 or more and foreign orders for \$5.00 or more from retail list will be prepaid anywhere in the world reached by 14c a pound postage rate.

A service charge of 25 cents will be made on domestic orders of less than \$2.00 and foreign orders of less than \$5.00.

Express shipments to states or countries maintaining terminal inspection will be prepaid to inspection point.

Items from prepaid and wholesale lists may be combined in one order. We will pay the charges on the prepaid portion of the shipment.

Orders for \$15.00 or more can be sent at any time in the U. S. A. by express. Orders held for spring delivery will be shipped as weather permits. Local and Pacific Coast orders can be sent at any time.

All stock offered and orders accepted subject to prior sale and causes beyond our control.

PREMIUMS

Extra bulbs, our selection, will be added to your shipment for the names, new to our list, of your friends that grow 500 or more Glads. BULB GROWERS

Gladiolus, Tulips and Narcissus .

U. S. A.

Twentieth Anniversary, 1939

Dear Customer-friend:

We're twenty years old, and are we proud? We are celebrating, and want you to celebrate with us.

You see, we started growing gladiolus bulbs on a corner lot just twenty years ago, and now raise them by the million. In fact we did a little figuring and found out that during this time we have raised at least 124,000,000 bulbs--one each for every person in the good old U. S. A., (which did not require any pencil to figure that out.)

Far different from the few varieties of the "pancake" type bulbs we planted then are the 144 varieties we offer today of the special high crowned type we have painstakingly developed during these years, and which grow such astoundingly vigorous spikes. So we are celebrating, and wish to share it with you.

HERE IS OUR PLAN:

To every one of our customer-friends who sends us an order amounting to \$2 or more we will ship, free and postage paid, our ANNIVERSARY GIFT of 12 newer kinds consisting of every color known in the Gladiolus world.

Imagine getting a start of: Improved Picardy; Golden Cup; Heritage; Hiremoa; J. S. Bach; King Arthur; Milford; Sonatine; Star of Bethlehem; Triumphator; Mrs. S. A. Errey; and Pelegrina. We'll bet most of these are new to your garden.

Take your catalog and jot down the wide range of colors you can have in your garden this year as our present to you. As a lover of flowers, can you miss this?

Why not, tonight, do some catalog gardening? Make a list of "I Want"; reduce it to "MUST HAVE". Then send in your order at once, for we expect to be swamped later.

Your 20-year-old,

Perrin Gardens

mpp/pm

P. S. When you order be sure to write this on the blank: "Include ANNIVERSARY GIFT."

A FEW FACTS OUR CUSTOMER-FRIENDS SHOULD KNOW

In order to grow only first class, high crowned bulbs, we were obliged this past season to use two pieces of land; one 18 miles from our central warehouse, and the other 30 miles. This might seem quite a distance to you, but it is our constant aim to grow the best bulbs at a reasonable price, using the richest land available.

However, this is only a very small part of bulb growing. Every ten days our Glad fields are cultivated with a John Deere multiple-row

tractor, another large investment made possible only through the constant patronage of our customers.

Your bulbs are cleaned, graded and packed by men trained in this work and employed the year around at a reasonable wage.

We also give a money back guarantee as to the cleanliness of our stock. No other bulb grower has made this statement.
